Feedback:

Do you think your child would like to attend the program again next summer?

Would you recommend the program to other parents of gifted children? Why?

What would you say about the program to parents of other gifted children?

What class topics would you like to see available in the future?

What feedback do you have for the administration? Did you find the staff responsive and flexible? Did you receive adequate information? Were communications conducted in a timely fashion?

After beginning the program, did you notice any difference...
...behavior? ...sleep patterns? ...energy levels? ...enthusiasm?

Over the course of this session of Summer Wonders, have you seen any changes in your child intellectually, emotionally, socially, or other? How?

If you are a returning Summer Wonders family, how do you think Summer Wonders has impacted your child's intellectual, social, or emotional life?

What did you think of the afternoon program?
(If applicable)

What did you think of the Parent Seminars? Did you attend any and if so, which one(s)? What topics would you like to see presented in the future?

Do you know any teachers you'd like to recommend to teach in future programs?

Do you have any other comments or suggestions about the program?

As the parents of a gifted child, what are the three biggest problems you face in parenting and educating your child?

Quotes

Occasionally, we use quotes from parents as testimonials in advertising literature. Do you have something about our program that you'd like to share with others?

May we have permission to use your name?
